

#### ODNR Dock Registration Plates

The ODNR Buckeye Lake park office at Liebs Island was asked by Harbor Hills resident Martha Halsey to clarify if the dock registration plate is to be visible from the shore, or from the lake side of the dock.

This email reply was received:

Mrs. Halsey,

Park manager Mark Hoffhines was correct in his presentation. The dock plates should be on the lake side, facing the lake. Should you need further assistance please contact the park office at (740) 467-2690

It was a pleasure meeting you today!
