

HARBOR HILLS UPDATES

February 2025 Edition 7

WELCOME TO HARBOR HILLS UPDATES

The HHCA Trustees hope to provide residents with information about current events, projects, and miscellaneous that are happening in our neighborhood. Feel free to send Kris ideas you think would be helpful in keeping everyone informed.

MONTHLY TRUSTEE SUMMARY – FEBRUARY 2025

-**Building Committee news!** We now have a dedicated email address to submit paperwork for building permits and questions relating directly to the HHCA Building Committee. Note Karl Senter is the HHCA Building Committee Chairperson. There continues to be information about building requirements on the general HHCA website. The email address is: hhca.building@gmail.com

-Plans for a new and improved HHCA website are underway. Look for more information in the coming months.

-No new information to share about the George South Dock project. We are still awaiting the required approvals from Army Corp of Engineers, ODNR dredging schedule, and others.

- This month's informal Trustee Q&A at HH Club is Tuesday Feb. 18th 6-7PM.

HARBOR HILLS GOLF AND COUNTRY CLUB INFORMATION:

February Events:

Zingo on Tuesdays 6-9PM

Show me the \$ on Thursdays

ODDS AND ENDS

- The HHCA welcoming committee, Terry and Jerry, welcomed two new residents on Lakeshore Dr W last month. We are happy to have you join our neighborhood!
- The county's Water Line Project is on schedule, work should wrap up in September of 2025. We ask that you continue to have patience as this work is underway. Please give way when the road is narrow, and you are passing an oncoming car. Tire ruts in front yards are unsightly and a good deal of work for homeowners to repair.
- The county's plan is that the culvert/bridge will be restored to its original state once the water line project is completed. Boats will eventually again be able to pass through. The cement, stone, and other debris that is temporarily there to reinforce and shore up the bridge during the construction project, will be removed.

- I'd be happy to start a section of this newsletter that passes along information allowing us to celebrate births and provide notification of our neighbors' passing. Before sending any information to hhcasec@gmail.com, you must have permission from the family for that information to be posted.
- Our neighborhood is a great place for walks. If you are walking with your pet, please note there are trash bins at each park. Leaving "it" on the ground provides a delicious snack for some dogs that in turn makes them sick, in addition it is no fun to step in. Please take the time and effort to pick up after your beloved pet.
- *This is Copper, his human is Jessica, according to her, "He is perfect in every aspect of dog-hood aside from a penchant to sniff out, and scarf down poop." -which in turn makes him sick. 🤢 Please help keep Copper healthy and perfect.*

-Kris Montgomery (Neighbor, Trustee, HHCA Secretary)
