MONTHLY TRUSTEE SUMMARY – MARCH 2025

-Building Committee news! We now have a dedicated email address to submit paperwork for building permits and questions relating directly to the HHCA Building Committee. Note Karl Senter is the HHCA Building Committee Chairperson. There continues to be information about building requirements on the general HHCA website. The email address for submitting documents for building approval is: hhca.building@gmail.com

-Plans for a new and improved HHCA website are underway. We are still in the process of updating outdated documents and building the new website.

-The George South Dock project is on hold until the lake is dredged in this area. Currently ODNr is looking for a place to put the dredged material.

- The recycling bin in the HH Club parking lot will be removed due to various expenses in keeping the surrounding area clean and ongoing misuse issues. The bin will be removed by June 1st. HH residents can purchase an individual residential recycling bin directly from WinWaste for \$10/month.

ODDS AND ENDS

- HHCA statements for 2025 annual dues will be sent out in April. We are working on correcting several discrepancies. Note the annual flat rate for a HH property that has a residence is \$300 + \$0.006 per sq ft lot size. If you own a lot only, you will be charged only the 0.006 multiplier base on lot size.
- Thank you all for your patience as the water line project continues to impact our yards and roads. Many residents have found the workers to be kind and friendly. Please return their kindness and help keep them safe as they are doing their jobs.

-Kris Montgomery (Neighbor, Trustee, HHCA Secretary)
