

Harbor Hills Civic Association

- April 15, 2021 Meeting with Licking County and Licking Township
- Review observations, concerns, plans for roads and drainage in Harbor Hills
- Goal is to continue our outstanding support and relationship
- Most residents ask “when will the roads be resurfaced ?”
- Speedbumps on Freeman ?
- Specifics issues, See Map:
 - 1-Water can’t enter catch basin, east side Freeman at Lakeshore Dr E intersection
 - 2-Construction equipment damaged north side of Amherst by new residence
 - 3-Water pools north side Lakeshore E and cant reach catch basin
 - 4-North side Dartmouth swale
 - 5-Cut catch basin down and complete Frank and Natasha (530 Lakeshore W)
 - 6-Move drainage at 741 Lakeshore W (Giard) (meeting 4-8, work in progress)
 - 7-Many vehicles drive off the asphalt and onto the berm, headed to the south-west from the bridge.
 - 8-Lots on Cornell being sold, want to reroute drain line to Lakeshore 306 Lakeshore Dr W
 - 9-Exeter water not able to drain area
 - There are several areas where the berm is below the road, and drivers are damaging the asphalt edges when going onto the berm
