MARK YOUR CALENDARS!

THE 2025 HHCA ANNUAL MEETING WILL BE HELD

THURSDAY SEPT 25TH AT 6PM AT THE H.H. CLUB HOUSE.

Preparations for the 2025 Annual meeting are underway. We have found some great volunteers for the vacant trustee positions. These will be presented at the meeting for residents' approval.

Consider helping your neighbors by serving on a committee, you can sign up at the meeting or by contacting a trustee

Representatives from the Harbor Hills Women's Club, Buckeye Lake for Tomorrow, Licking County Township, and the Harbor Hills Country Club are scheduled to speak, along with the annual HHCA business reports. We hope to see you there!

MONTHLY TRUSTEE MEETING SUMMARY – SEPT 2025

-We still have about 9 residents who have unpaid 2025 HHCA annual dues. Please contact Dave Moore to make your past due payment.

-We would like to create a committee of 2-3 residents to organize and run the 4th of July Parade, please contact a trustee if you are interested. This will be on the annual meeting agenda as well.

- Trustees are reviewing the HHCA Code of Regulations document to begin the process of making updates and changes so the document is up to date and more easily understood. Changes will be voted on by residents at a later date. These edits will not be ready to vote on at the annual meeting, however they will be available to preview in the information packet.

ODNR: There was an eagle stranded in the water near Maple Bay a few weeks ago. In efforts to assist the bird, we realized the phone number on the back of the HHCA directory for the ODNR safety boat is no longer in service. If you need an officer in the safety boat call **#ODNR (#6367)**. As always if someone is injured 911 is appropriate. Happy to report, we believe the eagle was able to get to land, dry, rest, and fly home.

REMINDERS & UPCOMING EVENTS:

LC Sheriff Golf Cart Inspection: Wed Sept 24th

Women's Club Membership and Cookbook fundraiser. -See Attachments

Yard Waste dumpsters will again be placed at each park in the last week of September. Each dumpster will get emptied once, then be removed once they are full for the second time. It is important to dump **only yard debris** in these dumpsters. Please do not place tree limbs, plastic bags, trash, or construction material in the dumpsters.

Welcoming Committee - Please contact any trustee if you know of a new resident. We want to welcome them with a special welcome treat, give them a directory, and notify them of important HHCA information.

Kind regards to all, -Kris Montgomery (Neighbor, Trustee, HHCA Secretary)

PS. I am one of the trustees rotating off the HHCA board of trustees this month. I believe my successor will continue with monthly update newsletters. It has been a pleasure meeting so many neighbors during approximately the year and a half that I have been in this role. Thank you to anyone who gave me input for the newsletters, offered to help on a committee, or thanked me for serving in this trustee role. For me, it made a difference to hear and feel your appreciation. Also thank you to the other trustees for your support and friendship as we did our best to fulfill our trustee roles in a responsible, transparent, and useful manner.

- Fortunate to call Harbor Hills home,

Kris Montgomery
