Golf Cart Poker Run Success!

The 19th Hole Club recently hosted a Golf Cart Poker Run and collected donations for *Lakewood's Lancer Locker*. This wonderful organization is an anonymous pantry serving the students of Lakewood School District. Their mission is to provide students with the necessities they need so they can focus on school and learning.

A heartfelt **thank you** to everyone who donated—your generosity was deeply appreciated, and the Lancer Locker team was very grateful for the support from our community.

Yard Waste dumpsters are again at each park, they will be there until appx Nov. 15th. Each dumpster will get emptied once, then be removed once they are full for the second time. It is important to dump **only yard debris** in these dumpsters. Please do not place tree limbs, plastic bags, trash, or construction material in the dumpsters.
