2025 Annual Dues Reminder

There are still two outstanding 2025 HHCA annual dues. If you haven't submitted your payment, please reach out to Dave Moore as soon as possible. Your timely contribution helps keep our community running smoothly.

Code of Regulations Update & Voting

We're currently working on an update to the Harbor Hills Code of Regulations, and we want every household to have a voice in the process. Residents will receive an online ballot via email, which will include a unique access key and password to ensure secure voting. Each household is allowed one vote.

For those who prefer to vote in person, we'll also be offering an in-person voting option at the Harbor Hills Country Club. Trustees will be available on-site to guide you through the process and answer any questions. Keep an eye out for official voting dates, which will be announced in December, voting will start in January. Thank you for staying engaged and helping shape the future of our community!

Yard Waste Dumpster Program

Yard Waste dumpsters are again at each park; they will be there until appx Nov. 15th. Each dumpster will get emptied once, then be removed once they are full for the second time. It is important to dump only yard debris in these dumpsters. Please do not place tree limbs, plastic bags, trash, or construction material in the dumpsters.

Welcoming Committee

Please contact any trustee if you know of a new resident. We want to welcome them with a special welcome treat, give them a directory, and notify them of important HHCA information. Let us make every new resident feel right at home!
